

The Community Policing Team (CPT) model will be rolled-out across Wiltshire Police this autumn, starting with the county of Wiltshire on 17 October 2016 and followed by Swindon on 7 November 2016. This follows a successful trial of the new model in Trowbridge, Warminster, Bradford on Avon, Westbury, Tisbury and Mere.

CPT combines Neighbourhood Policing, Response teams and Local Crime Investigators so there is a “one team” approach to community policing. It means there is a bigger team of officers and police staff available to attend incidents and improves communication between teams and departments. It gives the public a better service because issues can potentially be resolved at the first point of contact (101 and 999 call-takers) and provides them with a named officer/police staff member who they will be able to keep in touch with during the investigation. It also encourages officers and staff to take more “ownership” of cases.

There will be seven Community Policing Teams: Swindon North, Swindon West, Swindon South, Wiltshire North, Wiltshire West, Wiltshire East and Wiltshire South. Each Community Policing Team will be overseen by a Superintendent and will have an Inspector and a Deputy. The team will be made up of a mix of police officers, community co-ordinators, PCSOs, civilian local crime investigators and Specials.

We will be engaging with the public as the roll-out commences and will welcome feedback about the new model. Please speak to your local officers to find out more about how Community Policing will affect your local area. You can also find out more, including videos and infographics explaining the new model, on our website <http://www.wiltshire.police.uk/information/community-policing-pilot>

Our free Community Messaging service will also help keep you updated about policing and crime in your local area <https://www.wiltsmessaging.co.uk/>

## Current Priorities

Our current priority this month is to focus on the number of dwelling and non-dwelling burglaries in Pewsey and the surrounding areas.

Wiltshire Police will be continuing to limit the number of offences by pro-active policing and ongoing policing operations in the affected areas. Community intelligence is crucial for us to achieve this aim so please continue to tell us if there are things of concern going on in your area.

Cybercrime awareness remains something we have been looking to raise awareness of. Our PCSOs have continued to deliver Op Polite lessons to all of the local schools, ensuring that everyone is educated as to how best use the internet, and to prevent becoming a victim of crime.

## Any Relevant Series for October 2016

There has been a series of damage to motor vehicle offences in the Burbage area over the last month. Please advise police if you see any suspicious activity in the area.

## Local Crimes

Several non-dwelling burglaries to outbuildings in Chisbury, Burbage and the Pewsey area have been reported in recent days. Power tools targeted.

With regard to the series of burglaries and daytime thefts during August and September 2016 to business premises in Pewsey, a suspect has been arrested and is currently on bail, pending completion of enquiries.
