

October 2017

Pewsey PCAP

Hello and welcome to this Community Policing Team report.

Wiltshire Police has launched its autumn recruitment campaign for Police Community Support Officers – known as PCSOs – who play an important community facing role within Community Policing Teams across Wiltshire and Swindon.

Applications are being accepted until Sunday 15 October 2017 with successful candidates starting training in April 2018.

PCSOs provide a visible patrolling presence, acting as an effective crime deterrent, especially with regard to minor crimes. They connect schools, community organisations and local authorities, working on issues such as anti-social behaviour and safeguarding vulnerable adults and children.

Wiltshire is a diverse county and the PCSO role can be hugely varied. As well as community liaison, they can also be called on to support operational teams with intelligence gathering for cases, ranging from cracking down on rural and cross border crime, to human trafficking, drugs networks and counter terrorism.

Successful candidates do not need formal educational qualifications and must be at least 18 years old at the time of application. There is no upper age limit for applications and the normal retirement age applies. Confidence, good communication skills, decision making and problem solving skills are all important.

They will join more than 100 PCSOs, including the latest 11 recruits who began their training at Devizes HQ a few weeks ago.

Current Priorities

Theft from Motor Vehicles

We have experienced twenty two thefts from vehicles during September. Seven of which occurred in Devizes and surrounding areas, which included three in Market Lavington; tools from works vehicles and 900 litres of diesel from a vehicle in Devizes.

Ten incidents have occurred in Marlborough and surrounding villages, which included three incidents in Mildenhall – theft of property from insecure vehicles, two forced entry to vehicles parked on The Avenue at Avebury and a handbag stolen in one incident and tools from a works vehicle in Marlborough.

Of the Pewsey area five incidents have occurred – including forced entry at Alton Barnes and overnight bags stolen, two incidents in Burbage High Street and theft of fuel from a tractor, Oxenwood area.

We have commenced the fitting of Area Board funded signage at relevant locations; to warn motorists of the risks at such locations.

Crime prevention advice:

We would like to remind motorists to adhere to the following advice whenever possible.

- **Don't leave any valuables including laptops, satnavs, mobile phones, handbags, credit cards or vehicle documents in your car.**
Do not leave items of value in the boot, you are being watched.
- **Don't leave coats/jackets on show in the vehicle as a thief will want to see if there is anything valuable in the pockets.**
- **Clean satnav suction marks off your windscreen, as leaving them is an immediate advert to thieves that a satnav is in the vehicle. Make sure no satnav attachments are left visible in your vehicle.**
- **Remove your stereo if you can, mark it with the vehicle registration number if you can't.**
- **Leave your glove box open to show there is nothing in it.**
- **If you own a van, make sure you remove your tools overnight and display an appropriate sign in the rear window making this clear.**

Dwelling and non-dwelling burglaries

Twenty one incidents of burglary have been reported during September; five within the Devizes area and include the theft of a set of alloy wheels from a business premises, a computer from another and tools from a garden shed in Horton.

Within Marlborough six incidents have been reported, including one attempt and include the theft of two motor cross motorcycles and a mountain bike from a shed in Herd Street, overnight to 9th September 2017. Also stolen was a handbag from a motorhome, daytime during 19th September 2017, from Clench Common.

Within the Pewsey villages nine occurrences have been reported – three of which occurred overnight to 13th September 2017 in Wootton Bassett. Two high value pedal cycles were stolen from a shed; a Fondriest R20 and a Raleigh Equip and chainsaws and an axe were stolen from another garden shed in the village, entry to a third property was also obtained but nothing stolen.

A further incident involving forced entry to a garage on Church street, Great Bedwyn has occurred between 15th to 17th September, nothing stolen. Power tools have been stolen following forced entry to a garage in

Sharcott between 19th and 26th September. Overnight to 27th September in Ham a Stihl leaf blower and strimmer were stolen from a shed in Ham.

Crime prevention advice

- **Lock your doors and windows every time you leave the house, even if you're in the garden, and make sure you have approved locks or bolts on all doors and windows**
- **Never leave a spare key in a hiding place like in a plant pot or letterbox - a thief knows all the hiding places**
- **Keep all keys, purses and wallets out of sight and away from the letterbox**
- **Consider installing a burglar alarm, and only use a company that is registered or certified with the NSI or the SSIAB**
- **Do not open the door to anyone you don't know or are not expecting. Always check by using a spy-hole or look through a window**
- **Make sure that you have up to date contents insurance**
- **Register all serial numbers from electrical items, tools and garden equipment with Immobilise.com the free national property register. Mark items without serial numbers with an artificial DNA property marker such as Smartwater or SelectaDNA**
- **Do not keep large amounts of cash at home - it is much safer in a bank or building society**
- **Trim back any plants and hedges at the front of your property to no higher than 1 metre to remove hiding places**
- **Always report any suspicious activity, note any vehicle registrations, descriptions of persons involved and direction of travel**
- **Use a timer to set lights to mimic your usual activity when you are not at home**
- **Take photographs of all jewellery including hallmarks and keep them safe. Also consider using an artificial DNA property marker on jewellery or other valuable items**
- **Make sure any bolts are low enough so they cannot be opened by reaching over the top of the gate**

New Priority: Hare coursing and Poaching, All Areas of East Wiltshire.

During September activity has been reported in areas including Avebury Trusloe, Beckhampton and Pewsey Vale. Officers continue to target patrols to locations vulnerable to this activity. A policing operation was conducted daytime on Wednesday 27th September by members of the East Community Policing and the Rural Crime Team, in partnership with a number of farmers and gamekeepers who assisted as spotters for the area.

The event resulted in a number of vehicles and occupants being subject to stop searches. No incidents of coursing occurred during this time but intelligence was gathered in relation to other incidents involving a van seen at Roundway, an area where we experience theft from vehicles. This vehicle and its occupant were located at Broad Hinton during our area search.

Pc Marc JACKSON of the Rural Crime Team has launched Operation Artemis this week in a bid to tackle all aspects of poaching across the country.

The public are encouraged to report all incidents of poaching to help build a better intelligence picture and enable our officers to target offenders through rural operations.

The operation will also aim to advise our rural communities how they can best prevent and disrupt poaching activity on their land.

The operation sits under the nationally recognised poaching operation Project Trespass which aims to coordinate action across England and Wales through prevention, intelligence, enforcement and reassurance.

Rural Crime Officer PC Marc Jackson said: “As part of the rural crime partnership we have listened to the concerns of landowners, farmers, game keepers and agricultural workers within Wiltshire.

“We understand the impact poaching has on their livelihoods and the resulting fear of crime that comes from this.

“We want Operation Artemis to reassure our rural communities that we do take poaching seriously, and anybody found to be committing such offences here will be dealt with robustly. Wiltshire is not a soft touch and we will use the full legislation powers that have been given to us as the police.

“The image of poaching has drastically changed over the years. The idea of poachers just taking one for the pot is no longer the case.

“Many of the groups involved are very organised and travel vast distances, across numerous counties to participate in poaching.

“Often poaching involves vast amounts of money through illegal betting and can be connected to other crimes like burglaries, thefts and can involve intimidation and violence towards landowners and gamekeepers.”

Poaching becomes more frequent when the harvests come down at the end of the summer, peaking in October and December. This year harvests have been early so potential poachers can access the fields earlier than usual meaning we are already seeing an increase in poaching in September.

Poaching can take many forms, from hare coursing, shooting deer at night to using catapults to take pheasants.

Police and Crime Commissioner Angus Macpherson said: “Wiltshire is a rural county and those living in isolated locations can be vulnerable to crime types that do not affect urban areas.

“It is important that the Force police rural crime as part of its overall policing.

“Rural crime can have a huge impact on local people and businesses. I welcome this new operation and applaud the ongoing work being done by the Rural Crime Team and the Wiltshire Rural Crime Partnership to help keep Wiltshire safe.”

When reporting incidents, call 101 and quote ‘Operation Artemis’. If a crime is in progress call 999.

Policing Operation.

Working in partnership with members of Wiltshire County Council Enforcement Team Pc HERBERT and PCSO’S WATTS and BURNSIDE conducted a two day operation involving visits to Scrap Metal Merchants throughout the area. Their focus of attention related to unlicensed persons disposing of scrap metal at such

sites. The event also allowed for engagement with the scrap metal merchants and offer target hardening advice in reducing their risk of being victim to crime.

Traffic matters.

Motorists who continue to drive uninsured will be pro-actively targeted by Wiltshire Police this week (Monday 16 October to Sunday 22 October).

Operation Drive Insured, co-ordinated through the Motor Insurers' Bureau (MIB) and the National Road Policing Intelligence Forum (NRPIF), is a national campaign that aims to clamp down on uninsured drivers who continue to try to evade detection.

Statistics from the MIB show that around 1 in 100 vehicles are driven without insurance - a sum that equates to more than 6000 vehicles registered across the county.

Sergeant Simon Drewett, Head of the Road Safety Unit at Wiltshire Police said: "Although most drivers will comply with the law, a small minority continue to drive without regard for others. This comes at both a financial cost (and one which we all carry in our premiums) as well as also a potentially physical one should the uninsured become involved in an accident.

"There is a strong correlation between uninsured drivers and those that are also content to put others at risk through drink driving, careless driving or using a vehicle in an un-roadworthy condition.

"Wiltshire Police are always on the look-out for uninsured drivers, but during this week-long campaign we will be conducting targeted operations to catch those who put our communities at risk".

In 2016, Wiltshire Police seized almost 1000 vehicles as a consequence of being driven either without insurance or other than in accordance with a licence. Already this year, over 850 have been seized for the same reasons, thereby likely continuing the 30% year on year increase seen since 2015. Over 50% of seized vehicles are crushed as a consequence.

Sergeant Drewett added: "Our message is very clear; if you continue to drive uninsured then we will catch you and your vehicle will be removed from the roads".

The Motor Insurance Database (MID) is the central record of all insured vehicles in the UK. Managed by the MIB, the MID is used by the police and the DVLA to enforce motor insurance law; ensuring that vehicles driven on our roads are insured at all times.

To check if your vehicle has a valid insurance policy recorded on the MID, please visit askMID.com, or if you need to check that someone else's vehicle is insured in the event of an accident, please visit www.askmid.com/askmidenquiry.

Get Safe Online.

Please refer to and distribute the enclosed leaflet to community members. Thank you.

Series of Shed, Garage Breaks

12/09 – 13/09 – **Wootton Rivers** – Burglary Non-dwelling – Unknown suspect(s) have broken into a garage and stolen 2 pedal bikes, a Fondriest R20 and a Raleigh Equip fixed gear and track bike. Also climbing gear and tools were taken.

12/09 – 13/09 – **Wootton Rivers** – Burglary Non-dwelling - Unknown suspect(s) have broken into three sheds and stolen two chainsaws and an axe from within and used a wheelbarrow from within to transport the items but have later discarded the wheelbarrow.

16/09 – **Marten** - Burglary Non-dwelling - Unknown suspect(s) have opened an insecure garage door that is attached to a property, no damage caused to the door and no items stolen from within.

10/09 – 16/09 – **Wootton Rivers** – Burglary Non-dwelling - Unknown suspect(s) have broken the padlock and hinges off a shed located in a back garden. No items have been stolen and no search has been carried out.

15/09 – 17/09 – **Great Bedwyn** – Burglary Non-dwelling - Unknown suspect(s) have entered a garage via an unlocked side door. An untidy search has been conducted. A mobility scooter has been moved outside. It is not known if anything has been stolen at this time.

19/09 – 26/09 – **Sharcott** – Burglary Non-dwelling - Unknown suspect(s) have gained access into a securely locked garage by forcing the padlock. There is damage to the bolt on the door and the padlock has been stolen. The suspect(s) have proceeded to steal various power tools from within.

26/09 – 27/09 – **Ham** – Burglary Non-dwelling - Unknown suspect(s) have entered a rear garden either through a front gate or by climbing over the rear gate. They have forced a shed door open to gain entry forcing the lock away from the wood. They have taken a leaf blower and a strimmer both Stihl petrol models.

Local Crimes

03/09 – 04/09 – **Wilton** – Criminal Damage - Unknown suspect(s) believed to be hare coursers have driven onto farmers field through an unlocked gate and caused permanent damage to the crops.

03/09 – 04/09 – **East Grafton** – Suspicious Incident - Believed hare coursers have been on farmland as there are tyre tracks all over the field.

05/09 – **Alton Barnes** – Criminal Damage - Unknown suspect(s) have driven a vehicle through four fields without causing any damage to crops believed to be hare coursing.

05/09 – 06/09 – **Pewsey Hill Farm** – Criminal Damage - Unknown suspect(s) in a vehicle have cut through 3 barbed wire fences and 1 stock fence. They have also cut through a padlock on a gate believed to be hare coursing or deer poaching.

13/09 – 14/09 – **Burbage** – Webbs Way – Burglary Non-dwelling - Unknown suspect(s) have gained entry to a shed and a "club house". Nothing has been taken.

02/09 – 15/09 – **Wootton Rivers** – Criminal Damage – Unknown suspect(s) have sprayed graffiti on a resident's property.

19/09 – Ham – **Theft** - Unknown suspect(s) have stolen approximately 20-30 metres of fibre optic cable from an underground chamber.

19/09 – 20/09 – **Pewsey** – Theft of Vehicle - Unknown suspect(s) have stolen a van by unknown means from outside of a property.

07/09 – 21/09 – **Oxenwood** – Theft of Diesel - Unknown suspect(s) have punctured a hole in a tractors fuel tank and extracted an unknown amount of fuel.

21/09 – **Pewsey** – Criminal Damage – An intoxicated male has caused damage to a solar light and fence.

21/09 – 22/09 – **Pewsey** – Criminal Damage - Unknown suspect(s) have smashed a window to a property on the High Street.

24/09 – **Wilcot** – Theft from motor vehicle - Unknown suspect(s) have gained entry to a vehicle by unknown means. They have stolen a handbag which contained a purse and house keys. The handbag is described as a black and grey suede handbag. Containing a black purse, inhaler, photos of her children and £18.00 in cash.

29/09 – **Woodborough** – Theft - Unknown Suspect(s) have driven up a driveway in a large lorry and walked round the back of a property to access the garden. They have stolen a saddle stone and stand which was in undergrowth in an overgrown area of the garden. There has been a previous theft of a saddle stone from this property.
