THE PURPOSE OF ROTARY

Organise events

Days out for disadvantaged children, helping the disabled and people with special needs, fetes, rallies, concerts, sponsored bike rides, dragon boat races and fun runs.

Support local charities

Cancer centres, hospices for terminally ill children and adults.

Develop school links

Encourage fundraising projects to broaden awareness of community issues.

Encourage young people

Rotary's Young Chef, Kids Out, Rotary Young Leaders Award, Young Musician, Youth Speaks and Young Photographer are just some of the activities which we run.

Make a world of difference

Help organise and support life-changing projects, including sending emergency aid to disaster-hit regions and travelling to India to immunise children against polio.

HOW DO WE DO IT?

We meet at Marlborough Golf Club every week for a meal and to enjoy fellowship, but members do not have to attend every meeting. To enable us to fund our projects we organise various events including concerts, car boot sales, race nights, metal detecting, street collections, and spring fairs.

However, the main emphasis of the Club is on personal service and that means that all those involved are volunteers so ensuring minimal costs. **All money raised or received** is placed in the Club's charity fund and is used to support chosen causes at home and abroad and to make donations to recognized charities.

Our motto:

Service above Self
