

Consolidated Parish Issues List - Detail  
January 2024

Parish	Issue Header	Issue Description	Area of Responsibility	What resolution are you looking to achieve?	Are you making progress to resolve this?	What actions have you taken so far?	What actions have you planned to do in the future?	Are you satisfied with the progress you are making?	If not satisfied with progress, why not?	Do you need any help with this issue?	If you would like some help from PCAP with this issue, what sort of help would you like?	What level of impact does this issue have on your community?	How important is this issue to your community?	Reporting Date
Patney	Gullies	Lack of communication from WC regarding the new Discretionary Gully Service; they did not come to Patney during the scheduled visit w/c 18 March despite me reporting a silted-up drain which is contributing to flooding of a neighbouring property, and I've had no update or any response to emails I've sent since, including one to the area manager.	Transport & Roads	Action from WC Highways	No	Appointment booked but no one turned up. No response from emails to WC. Now speaking to Great Bedwyn who have been successful in booking a gully clearance.		No		Yes	PCAP put Patney in contact with GB	Impacts some people	High priority	2024-04
Wilcot Huish & Oare	Rights of Way	Blocking/misdirection of public footpaths.	Environment	How can we ensure paths are marked clearly, and that when temporary fences are put up it is clear where people should walk.		Contact landowners and Wilts Council RoW dept	Continue like this as we seem to have little power	No	Some paths seems to be at stalemate	Yes	Advice how to make landowners see the issue from walkers' point of view; walkers can get rather confused.	Impacts some people	Medium priority	2024-04
Wilcot Huish & Oare	Sheep worrying	Sheep worrying		Increasing awareness	Yes	Article in parish newsletter and on the website. Repeat offence recently...	Mention again in next newsletter and re-post article on website.	No	Same offender twice, but this gives all dog walkers a bad name and puts all dogs at risk of being treated as a threat.	Yes	Publicity in the wider Vale, as dog walkers go beyond the bounds of their own parish.	Impacts many people	High priority	2024-04

Reporting Date
Wilcot Huish & Oare	Parish Steward	Parish steward - two visits running he has been called out to fallen trees in Lockeridge and priority potholes in Bedwyn - frankly, those are not in our 'area'!	Transport & Roads	Make sure that our steward is not the one who is used to cover other problems.	No	He has been better at calling us to let us know what is going on.	Liaise direct with Highways.	No	We thought we were getting somewhere, but it's one step forwards, two back.	Yes	It would be useful to know if other parishes have this problem. Do their stewards seem to get called away all the time?	Impacts many people	High priority	2024-04
Wootton Rivers	Flooding	Flooding - Due to defects with the main drain through the village it continually blocks and causes extensive flooding in the main village road. Recent storms led to residential flooding as a direct result of this lack of maintenance and repair. The Drainage team are aware and short term measures have been taken to unblock the drain. This however is a recurring issue that has lasted many years and a long term solution is needed. The Council is working with the Operational Flood Working Group and Northern Highways but progress is slow and no plan or timescales to address the issue are in place.	Transport & Roads	Repair of the drain	Yes	Raised with Northern Highways / Drainage Team / Operational Flood Working Group	Continual chasing and follow up to try to establish a plan with WC to take action to resolve the issue permanently	No	The issue has been long running and in the past only short remedial measures have been offered which whilst unblocking the drain for a few month do not solve the issue and do not give residents any peace of mind.	Yes	Continued lobbying to address drainage issues in the area.	Impacts many people	High priority	2024-04
Wootton Rivers	Potholes	Potholes / Carriageway condition - Like most parishes we have many potholes but now the condition of some sections of road are a major issues because of lack of maintenance they are brekaing up in sections and are barely passable.	Transport & Roads	More maintenance of the roads	No	Attended Pewsey Meeting with Highways	Will continue to report in the vain hope of action being taken	No	No improvment and in fact the issue is getting worse each winter.	Yes	More pressure to speed up the repairs	Impacts many people	Medium priority	2024-04
